ABOUT DIIPSE

DECCAN INDIA INSTITUTE OF SKILL EDUCATION conducting courses through various innovative educations to get the formal training done for the chosen recognized professional courses.

DIIPSE established and working from 2017 to execute professional learning ecosystem. The provision to start paramedical & skill education institution in ruler area like MANCHAR is that to promote and provide self-employment platform to the students. Learning in DECCAN INDIA INSTITUTE OF SKILL EDUCATION prove out to be a ray of hope and opened new directions of opportunities for students to obtain higher education without the constraints of location and time.

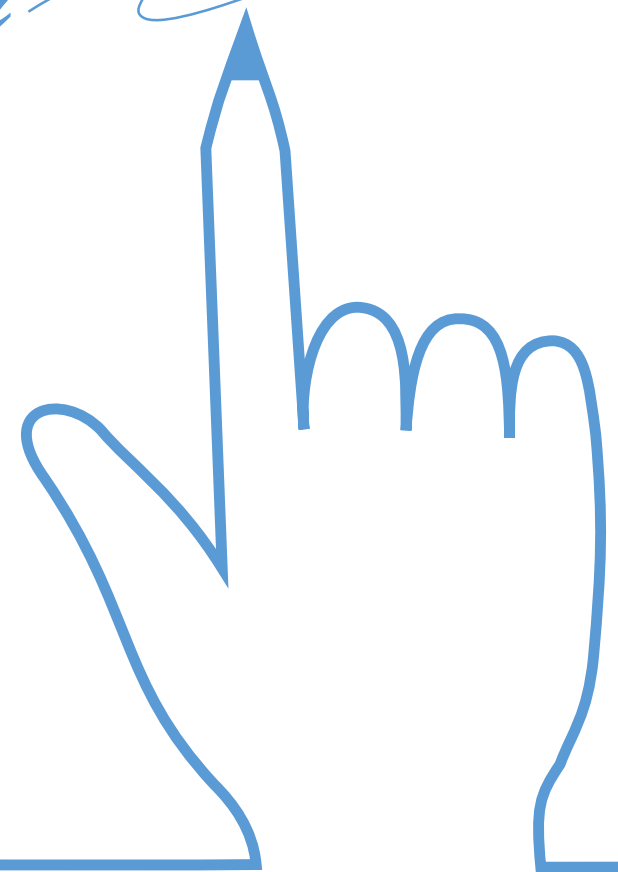

We understand the challenges embarking on Certificate, Diploma & PG Diploma Courses. The institute plays key role in providing personal and academic support to help you achieve your full potential capacity. The institute has a major role in your learning and teaching through a comprehensive support system; you encounter either personal or academic staff, offering guidance and discipline, and can deal with aspects of welfare provision. The directors & faculties will lead the institute in the delivery of teaching and to make sure that the students are supported.

WHY DIIPSE ?

For Quality Education

- 01 Empowerment and Transformation of Life Through Skill and Experiential Learning
- 02 Recognize, appreciate, and celebrate the strength of diversity of skill education
- 03 Encourage student and staff creativity, innovation, and risk-taking
